

THE UTICA CITY SCHOOL DISTRICT IS GOING

PURPLE UP! for military kids

APRIL 17, 2024

Military members and military-connected families make many sacrifices for the security and safety of our nation, including military-connected children during their K-12 experiences. Wednesday, April 17th has been designated as "Purple Up! For Military Kids Day" across the state. The UCSD encourages all faculty, staff and students to

WEAR PURPLE

We also encourage schools to engage in an activity of their design during the month of April to honor and support our military-connected students.
